MEGAMIXER

1-Year Warranty

Eliminate backbreaking labor with the Danuser Mega Mixer! From concrete to livestock feed, mix, scoop, and dispense a wide variety of materials with ease.

With adjustable mounting brackets, conveniently dispense left or right. Built-in cutting edges and a robust design make it well-suited for scooping from piles. Comes standard with dual safety grates, including integrated bag busters, that can be opened individually from either side.

The Mega Mixer includes two 2' multi-link chutes that store conveniently on the bucket. Additional chutes are available with chain mounting holes for stronger support. A closable discharge end limits spilling and allows for faster material mixing.

With features like chute storage, pin holders, easy-to-read yardage markers, a robust 8" diameter auger coupled directly to a heavy-duty, low-speed, high-torque motor capable of dispensing 3/4 yard of material in 26 seconds (up to 1" diameter rock), the Mega Mixer will save time on the farm or jobsite. Unit ships complete, including hoses and flat face ISO couplers.

MATERIAL HANDLING

Concrete (1" Slump)	Dry Topsoil
Mortar	Sand
Grout	Livestock Feed
Asphalt	Sawdust
1" Clean	Compost
1" Rock	Manure

MIX | SCOOP | DISPENSE

ACCESSORIES

HOPPER EXTENSION
(PN 170095)

FUNNEL w/ 6" HOSE ADAPTER
(PN 170110)

MEGA MIXER CHUTES
24" (PN 180700) & 36" (PN 180701)

INNOVATIVE DESIGN

Integrated cutting edges make scooping from piles easier

Heavy-duty, low-speed, high-torque motor connected directly to the auger

Mounts on either side to dispense left or right

Integrated fork pockets for use on a variety of vehicles

3/4 yard capacity (up to 1 yard with optional hopper extension)

Convenient chute storage

Bearing-supported auger adds strength and reduces wear

Lockable discharge end limits spilling and allows for faster material mixing

Auger
All-Steel (\$75)

Yardage markers

MOUNTING OPTIONS

- Skid-Steer Quick Attach
- Telehandler
- Pallet Forks

A HISTORY OF INNOVATION

Established in 1910, DANUSER has been family owned and operated by four generations. We have manufactured auger systems since the mid-1940's. With decades of design and manufacturing experience, our machines have stood the test of time. Today our commitment to our customer remains to design and build products that are the benchmark of quality, reliability, and longevity. In the words of our founder K.B. Danuser, "Good enough won't do – it must be right."

DANUSER manufactures several attachments for various equipment, serving several industries worldwide. Please visit www.danuser.com to see our full line of attachments.

Danuser reserves the right to make changes in design, specifications, and prices without notice and without incurring any obligation relating to such changes.
