PERFORMANCE AND INNOVATION

Powerful light sources, precision engineered reflectors and high performance optics are the most important characteristics of directional lighting. At Golight®, Inc. we are committed to continually developing and testing new illumination and night vision technologies that produce more powerful and useful light sources. Golight® offers designs for useability in countless applications:

- Powerful Spotlights for intense illumination
- Flood Lens technology for work area illumination
- Infrared Lens for covert night vision enhancement
- Clear Top-Housing for useful light in the vertical position
- Pedestal mounts for better lighting angles on fishing boats

GOLIGHT® DESIGN

Golight's patented product designs utilize Halogen and LED's, optical lens and reflector technology to generate extremely bright lights. The designs eliminate dark spots, maximize effective beam distance and provide the user an effective spectral pattern. Golight designs bring more lighting power to your fingertips, anywhere you go.

DEFINITELY GOLIGHT

When you see the distinctive, multi-contoured shape and rugged look of our lights, you know it's a Golight. This original is an authentic design of Golight, Inc.

SPOTLIGHT PERFORMANCE:

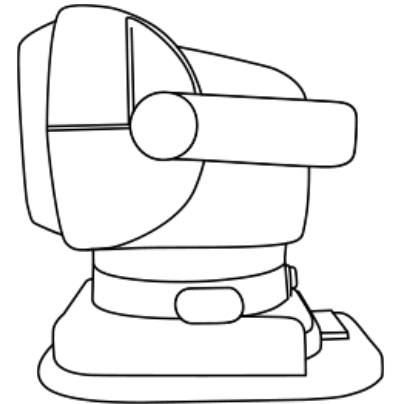

Peak Beam Intensity (candela), and Maximum Beam Distance measurements are now presented for all Golight® models.

PERSONALIZED CUSTOMER SERVICE – GUARANTEED

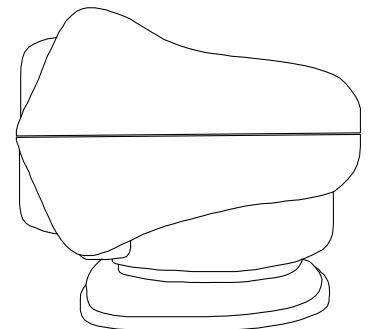

Our personalized customer service means that you can contact us any time. Private consumers and corporate industry buyers alike will speak directly to one of our representatives. We do everything it takes to build an exceptional product, then we stand behind it with exceptional product warranties. That's something you can trust....Guaranteed.

HAVE A GOLIGHT AND NEED SUPPORT?

You've come to the right place! Our newly designed website has a built in support tab (www.golight.com/support). You can start by clicking on the "HELP ME FIND MY MODEL" button and then choose the corresponding current or previous model module that goes with your model. Here you will find a troubleshooting guide as well as links to specification sheets, instruction sheet, mounting diagrams and more!

POPULAR APPLICATIONS

Over the years, Golight has had the distinct honor of helping people from all walks of life get things accomplished in the dark. Our lights have ridden shotgun on covert ops in the Middle East, guided open-water vessels back to the harbor, helped carve roads out of rugged terrain, and aided in search & rescue efforts, among countless other things. Imagine what you can do with Golight lighting your way!
